

### **Food Donations Needed**

Mt. Pisgah will be supporting the Belmont Community Resource Services (BCRS) Food pantry continually during the year. Last week BCRS served over 600 families, which is over double the numbers pre-pandemic. Shelf stable food is needed to supplement the fresh food provided for each Friday's distribution. Beans, rice, pasta, canned tomato products, canned vegetables and fruit, and healthy cereals are needed most.

Please put your donations in the "Belmont Chuck Wagon" in the Gathering Room. Mission Branch deliveries to Belmont will be the first week of the month or whenever the wagon fills up. Thanks you for joining our sister UMC churches in supporting the important feeding efforts at BCRS. The food is so appreciated!
